Dear Sir,
Happy Thanks giving!
My name is Pashaura singh Dhillon. I have retired working as Agricultural Biologist for the Fresno County Ag.Department and live in Madera, california. I am a member and coordinator Education and Sikh Awareness for the Sikh Council of Central California (SCCC).

On behalf of the SCCC, I have attended the Sikh community's participation in CDE, SBE, and CFIR meetings on the subject for the past years, which resulted in the passage of SB 1540 (Hancock). I look forward to helping complete the remaining task.

I give below two main comments on the 2014-2015 Draft H/SS Curriculum Framework:
1. I support the inclusion of the Sikh items in the draft.
2. From the paragraph on **Sikhism** under the 9th grade elective, "**Survey of World Religions**", I suggest deletion of "**DasamGranth**" (DG), a topic suitable for higher education.

Thank You,
Sincerely,
Pashaura Singh Dhillon
